

Dear Caregiver,

Good news—Sumter County Library has subscribed to a fun new reading program that your child can access from home! Scholastic BookFlix is an online literacy resource that pairs classic animated stories from Weston Woods with thematically aligned nonfiction ebooks from Scholastic to build a love of reading and learning. This engaging digital resource for children in grades PreK–3 will help early readers develop and practice essential reading skills, and introduces them to a world of knowledge and exploration.

Your child can access Scholastic BookFlix anywhere there is an internet connection. This interactive resource will help them get excited about reading and books, and extends learning beyond school hours.

BookFlix includes:

- Classic animated stories, each paired with a related nonfiction ebook
- Spanish language versions
- Read-aloud supports so students can hear each book narrated, and also hear definitions of key words and directions for each activity
- Educational puzzlers so children can show what they have learned
- Safe, age-appropriate web links selected by Scholastic’s editors so kids can extend their learning on a topic
- Meet the Creator section to learn more about each fiction book

Scholastic BookFlix is specifically created to support non-, beginning, and reluctant readers—it’s the perfect resource for independent reading practice at school and at home!
